MG FEST

SUN 16 AUG 2026
BRANDS HATCH

Brands Hatch will host **MG Fest**, which will act as the MG Car Club's official national event for the year, this summer. This is a completely new fixture for the Kent circuit, blending motorsport with a key social date for enthusiasts of one of Britain's best loved marques.

On-track action will come from a race programme curated by the British Racing and Sports Car Club (BRSCC). A highlight among the on-track attractions will be the MG Cockshoot Cup, a long-standing and beloved MG Car Club race series which will feature a wide variety of machines
